Rose Bushes and
Fruit Trees*

P. O. Box 134

Alameda Creek Nursery

M. Mello, Proprietor

Decoto, California, September, 2nd. 19 21

U.S. Department of Agriculture,
Washington, D.C.

Gentlemen:-

Replying to yours of the 16th ult., Will say that I am only engaged in a local business, and have not deemed it advisable to publish a catalogue upto the present time; the following is a list of fruit trees propagated and grown by me, viz:

Peaches; Muirs, Hales Earley, Morris White, Tuscan Cling and Heath Cling Varieties. Prune: Frech and Sugar varieties. Plum: Red-egge. Apple: White Winter Pearmain, Red June, Yellow Bell-Flower, Y.N. Pippin, varieties. Apricott, The Blenheim, variety. Charry: The Black Tartarian and Royal Anne varieties. Pear: The Bartlett and Madeline varieties. And in addition to the above mentioned varieties of fruit, I am also engaged in the propagation of different varieties of roses.

Yours very truly,

M. Mello
